

Gremlin Giggles

December 18, 2008

Number 18

This space deliberately left blank. Spelling words will return in January!

Happy Winter Break!

May your family be blessed with peace and joy this season. I am truly blessed to work with such wonderful children this year. Each one brings his or her unique and special gifts to class every day.

Science Book Update

We have written and illustrated four chapters of our book. There are six more to be completed in the spring. We will have a galley proof reading at Author's Night in the spring.

School Supplies

Many school supplies are worn out at this half-way time of year. Folders and glue sticks are ragged. Pencil supplies should be restocked and some Gremlins have lost scissors, which makes it difficult to complete some projects. Please consider refreshing your child's supplies.

Keep Skills Sharp

Read over the break. I will expect each Gremlin to take an AR test at the end of the first week back. We need to keep the mind limber! Please practice multiplication and division over the break. One problem a day will keep the cobwebs away and make your Gremlin have an easier time in January. The pace will intensify!
