## ***Colonial Days are Coming Soon!***

*In an effort to understand what life was like in Colonial Times, our team will have Colonial Days on Thursday, January 29. We will have four stations where the students will get to experience the following: handicrafts, foods, games, trades. **We need your help.***

*We need an organizer or team, in-class cooking help, home-cooking help, donations of supplies, volunteers to help the students with these new skills, simple sewing supplies, ideas for games or trades. Does anyone know of someone who is a colonial history buff, or someone who is a military history buff who might assist us? **If you can help with anything, please either send me an email or note as soon as possible.***

## ***Attached Please Find an AR Report***

*In order to qualify for Thrilling Thursday Learning Club, each Gremlin will need to take and pass an AR test each week. If a student is reading a book longer than 100 pages, he needs to show progress on the book. If you or your Gremlin have questions, please email or write a note in the agenda!*

## **Thrilling Thursdays**

Due to the move of our Target day, Fun Friday is now moved to Thrilling Thursday. In order to participate in Thrilling Thursday rewards, behavior and academics will now chart from Friday to Thursday.

## **Colonial Life Websites to Visit and Learn**

<http://americanhistory.si.edu/kids/springer>

<http://www.pbs.org/wnet/colonialhouse/teachers.html>

<http://www.libertyskids.com/>

**Bring in some proof of a substantial visit and earn a homework pass.**
