**Conference week is next week!! School will dismiss at 12:20.**

## *A PEEK INTO OUR WEEK*

### **Science**

*In science we are beginning our study on our solar systems and the planets with-in.*

### **Social Studies**

*We will continue to learn and experience the thirteen original colonies through text reading, map making, and creative posters. Study word cards to make reading easier!*

### **Math**

*We will continue adding and subtracting fractions, changing mixed numbers into improper fractions, and simplifying fractions. Division and multiplication are very important to continue to study at home!*

### **Language arts**

*The students will apply their new knowledge of Limericks to create a Limerick of their own on light. This Limerick will be added to the class' final science book. The students will also continue to read for information.*

### **Colonial Day is on Thursday**

Colonial Day is a designed to give the students a chance to experience how life would be in Colonial America in a hands-on way. The students are able to dress up for this day, however be mindful of specials. Thank you to the parents that were able to donate items for this fun-filled day! We are still in need of the following items: one pound cake, Saltine crackers, and four half-pints of whipping cream.

**Gremlin** \_\_\_\_\_ **Date** \_\_\_\_\_  
(name and number)

**Behavior**      **1**    **2**    **3**    **4**    \_\_\_\_\_  
**Gremlin work** **1**    **2**    **3**    **4**    \_\_\_\_\_
