Are You Smarter Than a Fourth Grader?

Attend the Math Night, next Tuesday, October 7, and find out! There will be fun, fun and only fun with math activities and contests. Gremlins will do their math homework that evening at Math Night and get credit for it when they turn in the pass they will receive for attending.

Bring in a Shoebox

We will begin dioramas soon for our Native American Unit. Bring in a shoebox next week to be prepared!

Science Olympiad Auditions

Applications and auditions for Science Olympiad are coming soon. If your Gremlin likes Science and extra homework and enjoys working in a team, he/she will want to be part of this activity at school. We will meet on Mondays after school. Plan to stay until 4:00.
