Business, Business and more Business

Thank you all for completing and turning in all the paper-work from the beginning of the year! I know there was a huge amount of it. Please remember to send a note if your child is absent or will have different than usual after school transportation.

Class Tee-Shirt orders are due. If your form was misplaced, the shirts at \$6.25 and come in standard sizes. Please send a note with a check and your Gremlin and I can fill out a form..

Math Study addition/subtraction or multiplication/division nightly. This is homework!!.

Agendas need to have homework written in them! We have time set aside to do this. Please ensure your child is bringing home papers on a weekly or daily basis. Papers are put into the filers all week long. I encourage the students to take home papers promptly. It is your child's responsibility to clear his/her filer and take the papers home.

No Missing Assignments Club membership is determined on Friday and awarded on Monday. For every 5 weeks of membership, an award is given to the student! We begin next week, now that we know the routine.

Classroom needs
Walmart has a thesaurus for less than \$4.00. We really could use at least 5 of these. If anyone could donate a thesaurus, I would appreciate it. A year's loan of one would be great too!
Thank you!!

Talking

Please encourage your student to work quietly and not disturb others. Friendships have been made and we are now a very social bunch! Please do not interfere with other's learning.

Gremlin Behavior _____
(name and number)
